Message from the President

In order to get models to pose for us, it is imperative that we reciprocate in some way. We do not pay models, so our policy has been to give them prints or slides we have taken.

The exotic dancers that posed for us would be glad to receive some of your pictures; they don't have to be perfect!

It helps the models to see the image they are projecting, and they are also used for publicity purposes.

Please feel free to drop all pictures at Ken Momsen's Dark Room on Appleton Avenue, or bring them to the meeting. Thank you.
