The Menomonee Falls Camera Club will hold its first meeting of the 1989-90 season on Tuesday, September 5, 1989 at 7:15 p.m. in the Community Room of Menomonee Falls North Middle School. We hope you've had several photographic opportunities this summer.

The program for the evening will be a critique of the slides or prints taken during the August 19 field trip to Old Falls Village. For the members who participated, please bring 6 of your best slides or prints to the meeting. If you were unable to attend the field trip, please bring 2 of your best slides or prints taken this summer. Janice Mahberg, a photography instructor from MATC, will be our guest for the evening and head the critique. Since this is a good learning experience for all, let's have a good response for slides and prints.

Dues of \$10.00 for the year will be collected this evening by Sandy Berg. Also, if you would like a name tag, they are available for \$2.50. Do you have any friends who are interested in photography? Bring them along. Guests are always welcome and we look forward to new memberships.

We would like to welcome back former members Sandy Berg of Colgate and Nancy Lee Smith of Menomonee Falls.

If you have any photo equipment to sell, there's no need to wait for our annual "white elephant sale" in June. Advertise it in the newsletter or bring it along with you to the meetings.

Don't forget your name tag! See you on the 5th!

If anyone needs information about the competition, rules and entry forms will be available at the meeting.

The assignment this month is to bring slides and prints of old cars from the antique car show outing at Rank and Son. If you were unable to attend the outing, any other photos of old cars are welcome!

Just a reminder that dues are \$10.00 for the year and name tags are available for \$2.50. New members are always welcome.

Hope to see you on the 3rd!

Please bring your slides to share from last month's "decorations" photo session. Many thanks go to those who brought food to make our holiday meeting so festive!

See you on January 2 at the middle school!

The Menomonee Falls Camera Club will hold its next meeting on Tuesday, February 6, 1990 at 7:15 p.m. in the Community Room of Menomonee Falls North Middle School.

This month's meeting is the one you've been waiting for— our model shoot! There will be three lighted set-ups in which to photograph the seven models. Each spot will contain information about the set-up. Bring your camera, tripod, and lots of daylight film. This should be a great learning experience. Please take the opportunity to shoot and ask questions.

Some of the pictures taken at our model shoot in the past have won in competition. This could be your chance to capture a prize-winning portrait!

For those who missed it, February's model shoot was a great success. Our models did an outstanding job! Please bring pictures taken at last month's meeting, along with those you would like to give to the models.

Don't forget to keep working on your photos for the next WACCO competition. Spring is just around the corner!

The Menomonee Falls Camera Club will hold its next meeting on Tuesday, April 3, 1990 at 7:15 p.m. in the Community Room of Menomonee Falls North Middle School.

This meeting will be an interclub competition with the **Milwaukee Camera Club**. Three independent judges will rate the competition using WACCO rules.

Please bring four slides for the following categories:

- Bridges
- Sunrises/Sunsets
- Farm and farm-related subjects
- Pictorial

If your slides do not fit the first three categories, bring anything you may have for the pictorial category. Total scores will determine which club wins. We *need* people to enter! **Milwaukee Camera Club** thinks they can "blow us away." Let's show that our club is competitive!

Delicious snacks will be provided, so bring your slides and your appetite. This meeting will be a great opportunity to meet members from another club and share our talents.

If you have any suggestions for future field trips, please bring them to the meeting. Your ideas are always welcome.

Don't forget that the June meeting is our election night. We are looking for volunteers to run for club officers. This is your chance to participate!

Hope to see all of you on "May Day" for our wildflower program!
