Mark your calendar for a club field trip to the Milwaukee County Zoo on Saturday, September 15. More details will be announced at the meeting.

Do you have friends interested in photography? Please bring them along! New members are always welcome. Just a reminder that dues are \$10 for the year and name tags are available for \$2.50.

The Menomonee Falls Camera Club will hold its next meeting on Tuesday, December 4, 1990 at 7:15 p.m. in the Community Room of Menomonee Falls North Middle School.

Help us celebrate the holidays this month with a Christmas party! We will view a photography video, and the slides and prints you developed during the November meeting at MATC. Please bring slides from the October field trip to Horicon Marsh and November's Riverwalk outing.

It is very important that we start collecting photos for the Menomonee Falls Centennial Calendar! The Centennial Committee prefers a horizontal format of events, sights and people in Menomonee Falls from now until June. Please search your files for Spring, Summer and Fall photos, and bring your submissions to this meeting.

Note there is a correction to the rules for the museum exhibition. Number 4 on your rules sheet should state a mat size of 11 X 14 or 16 X 20, and **NOT** 14 X 16.

There will be no December field trip due to the busy holiday season. Mark your '91 calendars for our January meeting to be held on **Tuesday, January 8th**. Bring your camera in January to photograph tabletop set-ups of musical instruments. Some interesting props will be available.

Just a reminder— please pay your \$10 dues by the January meeting, or you will no longer be included on the mailing list.

Hope to see you December 4th for our Christmas party!

The Menomonee Falls Camera Club will hold its next meeting on Tuesday, March 5, 1991 at 7:15 p.m. in the Community Room of Menomonee Falls North Middle School.

This month's meeting will be a model shoot of a Folk Dance group. You'll love photographing their colorful costumes and turn of the century uniforms! Several different backgrounds will be provided. Please bring your camera, flash, tripod, lenses and, of course, lots of film!

Thursday, March 14, will be a club field trip to the Milwaukee Art Museum. You won't want to miss "Opening Night" of the WACCO photography exhibit. Those who would like to car pool should meet at 7:00 p.m. in the Kmart parking lot, Appleton Avenue, Menomonee Falls. If you can't make it on the 14th, the exhibit will run until approximately June 2.

WACCO will present a three-part PHOTO JOURNALISM program consisting of a seminar, competition and exhibition. On April 20, award winning press photographer VERN ARENDT will conduct the seminar at Midway Motor Lodge, Glendale. You will learn how to get the most out of your equipment; how to get the picture you really want; how to handle people; and how to make an exciting and interesting picture out of the ordinary. He will use slides and photographs to illustrate what makes a photograph effective. There will be a demonstration of lighting and composition techniques. Then spend Spring and Summer photographing "Wisconsin at Play" for the competition in September. Award winning entries will be exhibited at the Milwaukee Public Central Library November through January, 1992.

Don't miss the chance to participate in all three events. Details can be obtained at the meeting.

Let's have a great turnout for the Folk Dancers at our model shoot March 5th!
